FAIR COMMISSION URGES
EVERYBODY TO GET IN LINE

The fair commission has issued an exhortation to fraternities, societies and other organizations and to business men regarding the daylight parade during fair week, October 5-19. Here it is:

"We have heard from everybody but you."

"Have you signed up to put a float in the parade?"

"Don't be backward, because if you do you are going to regret it. The Woodmen of the World have signed up and the other fraternities orders are going in. Time is short so you'll have to hurry. Most of the merchants have signed up and intend going after that \$25 prize for the best float."

"The labor unions are in already and it is hard to say who is going to have the best float. Competition is keen. Let G. L. Boxer design a float for you. It isn't any trouble to him and you'll be well satisfied."

"Don't knock but most, honest honest—keep Albuquerque in the front rank of Big Little Cities!"

"Pay? Why of course it will pay you to get in the parade."
